**Matchmaking event of metal cluster on 9-10 of
February 2006 in Jyväskylä, Finland**

**For more information concerning the Jyväskylä event and
participating companies please contact:**

Jyväskylä Regional Development Company Jykes Ltd

**Henna Gustafsson: tel +358 14 652 179,
henna.gustafsson@jykes.fi**

WELCOME TO

JYVASKYLA, FINLAND

February 9th – 10th, 2006

International Matchmaking Event of Metal Cluster Companies

The matchmaking event joins together metal cluster companies from Europe to establish new contacts and find new partners.

A Matchmaking event organised by the Jyvaskyla Regional Development Company Jykes Ltd will be held in **Jyvaskyla in February 9th – 10th 2006.**

The event is targeted at **buyers, sellers and suppliers of metal cluster companies** looking for new **collaboration** and **R&D partners**, and/or **subcontracting** possibilities.

Companies from Finland are keen to take part in this event and are eager to **find new partners and business opportunities** from fellow metal cluster companies.

Finnish metal cluster companies are looking for:

- buyers and sellers of products
- buyers and sellers of subcontracting
- engineering subcontractors
- suppliers of raw material
- technological co-operation
- R&D partners

The Matchmaking event is organised as part of **the Fit for Europe - project**. The project involves 30 European regional development agencies from 15 European countries. Altogether 14 matchmaking events will be organised during the project.

Participation in the Jyvaskyla Matchmaking event is **free of charge**. The Matchmaking event includes info flashes on current issues in the metal industry, free exhibition stand space and an eventful programme in the wintry scenery of Jyvaskyla. Visits to companies in the Jyvaskyla region will be organised.

How can one get involved?

1. Contact **your regional development agency** to get more information
2. Companies should fill in a company profile sheet specifying what kind of collaboration partners they are looking for
3. Suitable partners will be matched and prearranged meetings will be set up
4. Make your travel arrangements
5. The Matchmaking event and prearranged face-to-face meetings will take place in Jyvaskyla 9-10 February 2006

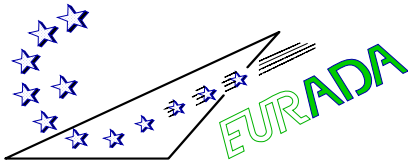

For more information please contact

Your Regional Development Agency

or **Jyvaskyla Regional Development Company Jykes Ltd.** (www.jykes.fi, www.fitforeurope.org)
